توضیح در مورد سوالات ایجاد شده در مورد پروژه

NO	Vendor Questions	MCIT Answers
1	Requesting MCIT to consider the Delivery period at least 2 to 3 months	We are not able to extend the time for project, due to the urgency
2	Few of the requested Models are End of sale and it is not available with manufactures, so should we quote the equivalent or higher version suggested by manufacture?	You should quote for the Higher Version of the same product from the same manufacturer with same specification or higher.
3	Locations for Installation of Network and Cameras	Both Network and Cameras will be installed in 5 provinces of Afghanistan (Herat, Qandahar, Mazar, Nengarhar, Khost) for Passport Departments
4	Should we include the MAF for all the products so that MCIT can make sure the authenticity of the product	We don't need MAF letters for any product but, we will definitely check the items with manufacturer to make sure they are Genuine, New and under warranty while they delivered to us.
5	Item Number 12 (FL-CME-SRST 40) Communication Manager Express or SRST – 40 Seat License	We need (FL-CUBE-25 License-25 session For ISR 4331 Router) instead of the mentioned item number 12.
