جوابات	سوالات
<p><b>According to your doubts Afghan-Post provides following justifications:</b></p> <ol style="list-style-type: none"><li>All the 60 post boxes should be in one rack (1500mm height and 1500 mm length)</li><li>Each post box with its frame should be 250mm in length, there is no need for extra space between post boxes.</li><li>Afghan Post requires post boxes with both password and RFID Card unlocking systems. The Provided pictures and specifications for lockers is not acceptable</li><li>The provided specifications for canceling machine is not acceptable.</li><li>The provided specifications for wrapping machine is not acceptable.</li><li>The provided pictures and specifications for bundling machine is not acceptable.</li></ol> <p>Note: for further clarifications the procurement Office should organize a meeting between Afghan post technical team, procurement office and bidders.</p> 	<p>ریاست محترم افغان پست طوریکه در جریان قرار دارید, داوطلبان در مورد مشخصات پروژه خدمات پستی به شرح ذیل وضاحت خواسته است:</p> <ol style="list-style-type: none"><li>Is it individual Post Boxes delivery with separate racks or the rack should have all the 60 boxed as one piece?</li><li>The size you have mentioned is 1500mm X 1500 mm ( i.e. 250mm of 1 box X 6 Rows = 1500mm ) but we need to put 30mm space between 2 Boxes so the size differs as shown in the diagram attached here. Please get approval or their justification.</li></ol> <p>The specifications provided in bidding documents we could not find the exact match in entire search. It seems a made up specifications no as per worldwide manufacturers we provided the standard models.</p> <ol style="list-style-type: none"><li>For 52 set Digital Postal Boxes, we can make exact dimension and materials required but for Digital opening LOCKS please find attached locks we can use it's found in the market. It's opening by A rest band and code. Options to open with Cards is NOT available as per search. Please confirm if it's acceptable by technical team? We will also submit one box sample for approval if we awarded then we will provide all 3120 boxes. Please confirm the acceptance?</li><li>Postal stamp canceling matching speciation's attached, please confirm the acceptance?</li><li>Wrapping machine specifications and video attached please confirm the acceptance?</li><li>Bundling machine pictures and specifications attached please confirm the acceptance?</li></ol>

Best Regards
